San Bernardino County  
Superintendent of Schools  
*Transforming lives through education*

The mission of San Bernardino County Superintendent of Schools is to transform lives through education. Working in collaboration with school districts, families, community partners and other agencies, we provide leadership, advocacy and services to ensure equitable, innovative and inspiring educational practices.

This endeavor is essential to the quality of life and economic vitality of our communities.

SBCSS serves as a link between the California Department of Education and the 33 K-12 school districts in the County to ensure the success of every child from cradle to career by delivering direct instruction to alternative, juvenile court, special education, and state preschool students.
