

APPLICATION & TEACHER RECOMMENDATION  
The Warrior Yearbook 2026-2027

The yearbook is a student-run publication and a project-based class. To be a part of our team, you must maintain regular attendance, work independently, collaborate with classmates, meet deadlines for assignments, act professionally, and regularly contribute toward discussions. It is essential that you meet these obligations. This class is not “an easy A.” You will be expected to work hard and treat your job seriously.
