

This school district is committed to honoring those citizens who have served their country in active duty of the armed forces by providing veterans a more favorable competitive position for employment. In accordance with this policy and Idaho law, this district provides eligible veterans, as defined herein, preference for initial employment and retention in the event of layoffs. NOTICE OF PREFERENCE

The district’s employment application forms, announcements, and postings for positions will state that preference will be given to eligible veterans. The application form will inquire as to whether the applicant is claiming eligibility for such preference, whether the applicant has previously claimed such a preference, and state that the applicant is required to provide proof of such eligibility. The applicant is responsible for providing all necessary documentation of his/her eligibility as a veteran at the time of making application.

APPLICANTS ELIGIBLE FOR VETERANS’ PREFERENCE

In all employment (excluding key employee positions), this district shall give preference to eligible veterans as follows:

1. **PREFERENCE OVER NON-VETERANS.** An eligible veteran applicant is entitled to a preference in initial application for hiring with the district over other applicants for the same position who are not more qualified.

2. **COMPETITIVE EXAMINATIONS.** If applicants are required to take competitive examinations, five (5) percentage points shall be added to the earned rating of any applicant who is eligible for veterans' preference points. The enhanced score shall be used in establishing a rating. The names of all five-point preference eligible applicants will be placed on the register in accordance with their augmented rating.
3. **COMPETITIVE EXAMINATIONS—DISABLED VETERANS.** If applicants are required to take competitive examinations, ten (10) percentage points shall be added to the earned rating of any applicant who is eligible for veterans' preference points as a disabled veteran or as the widow or widower of any disabled veteran as long as he or she remains unmarried or the spouse of any eligible disabled veteran who cannot qualify for public employment because of a service-connected disability. The names of all ten-point preference eligible applicants will be placed on the register in accordance with their augmented rating.
4. **INTERVIEW REQUIREMENTS.** Disabled veterans who have a current service-connected disability of thirty percent (30%) or more must be offered an interview if they are one of the qualified applicants on the register for the position. If applicants are not ranked, the district must offer to interview such veterans who fully meet all qualifications for the position. Notwithstanding this subsection, the district is not be required to interview more than a total of ten (10) applicants regardless of the number of such qualified veteran applicants.

APPLICATION TIMELINES

The district will accept an application for appointment to a position after the closing date of the examination from an applicant who was serving in the Armed Forces, or undergoing service-connected hospitalization up to one (1) year following discharge. However, the application must be submitted within one hundred twenty (120) days of the applicant's separation from the Armed Forces or hospitalization, prior to the expiration of any register established as a result of the examination, and prior to the selection for the position.

A disabled veteran may file an application at any time up until a selection has been made for any position for which a register is then maintained as a source for future job openings, or for which a register is about to be established, provided he or she (i) has not already been examined twice for the same position and grade for which application is made; (ii) does not have current eligibility for that register; or (iii) is not serving in a competitive position in the same grade for which application is made. If a register is not used as part of the selection process, a disabled veteran may file an application after the closing date, but such application will only be considered if a selection has not been made and the selection process is still active.

The district reserves the right to refuse to accept an application from an otherwise qualified preference eligible applicant who is deemed unqualified through his or her actions. Examples of such actions include dismissal for cause from a public entity; a felony conviction; or conduct unbecoming a public employee. Any such refusal must be supported by good cause and is appealable in accordance with this policy and Idaho law.

EMERGENCY HIRING

In the event of an emergency which may endanger the health, safety, and public welfare, these provisions may be dispensed with temporarily, but persons so employed may not be allowed to work for a time period of more than ninety (90) days, except as employees who meet all the requirements of the veterans' preference provisions stated above.

PROMOTION, TRANSFER, OR REASSIGNMENT

This policy applies only for the purpose of an initial hire by the district. Veterans' preference, and any benefits set forth in this policy for eligible veterans, is not relevant to and will not be considered whenever personnel decisions are made relative to an employee's promotion, transfer, or reassignment within the district.

APPEAL RIGHTS

Applicants who believe they have been denied a right or benefit as set forth in this policy may file an appeal with the Board of Trustees within thirty-five (35) days of the alleged denial of preference. For applicants who have notified the district of their eligibility for veterans' preference in accordance with this policy and Idaho Code §65-503A, the district will provide notice of such applicants' appeal rights at the conclusion of the selection process. The 35-day appeal period shall commence upon issuance of notice of the appeal process by the district. In the event the district fails to issue such notice, the appeal period will commence when the applicant becomes aware that he or she was not selected for the position. **[NOTE: Districts should either adopt their own internal procedures for processing an appeal or follow the procedure set forth in state regulations]** *Option 1: This district follows the appeal procedures set forth in IDAPA 21.01.06. OR Option 2: This district's appeal procedures are set forth in [cite policy/procedure/handbook where procedure can be found].*
