

For purchases involving public works construction, the district will not advertise for bids for any school building construction project until the plans for such building(s) have been approved in accordance with Idaho Code §39-4113. All school construction or remodeling projects requiring plan review will be inspected by building inspectors certified in accordance with Idaho Code §39-4108, or by Idaho licensed architects or engineers to determine compliance with title 39, chapter 41 and the Idaho Uniform School Building Safety Act (title 39, chapter 80, Idaho Code).

The district elects to utilize the plan review services of Canyon County for review of all public school building plans. The district will provide a written certification of its election for plan review services to the Canyon County Building Department of the Division of Occupational and Professional License (DOPL) if required.
