

The primary purpose of the school building program is to provide the means of achieving the educational objective of the school district.

The board has full and final responsibility for selection of sites, employment of personnel, contracting for services, approval of plans, authorization and acceptance of bids, payment for work performed on contractual agreements, and final acceptance or rejection of work done. All actions to carry out the board's responsibility will be taken only by official resolution based upon formal recommendation of its staff at legal board meetings.

The superintendent is responsible for organizing and coordinating the efforts of the various individuals and groups to best achieve the established educational objectives in the building program and for making resultant recommendations to the board of education.
