Community Service, Spanish Practice, and Cultural Exchange

An Introduction to Global Service for Youth Ages 13-14

Since 1965, AMIGOS has provided authentic service and cultural immersion experiences in 17+ countries across the Americas. Join AMIGOS this summer and volunteer with local organizations, practice your Spanish, and experience life and adventures in a new country!

AMIGOS in Costa Rica

Spend 12 unforgettable days experiencing Costa Rica's abundant biodiversity and contributing to its protection! Travel as a group to explore ecosystems, sea turtle protection, and natural resource management while volunteering with local environmental conservation initiatives. Spend time on the coast near Marino Ballena National Park and in the rolling hills near Chirripó National Park. Practice your Spanish while making connections across the Americas!

Volunteer Abroad

Earn 24 service hours while collaborating with two different partner agencies. You will dive into Costa Rica's rich biodiversity by contributing to conservation through wildlife inventories, trail maintenance, and turtle nursery setup. You will also explore community and private conservation reserve initiatives.

From an AMIGOS Alum:

"I feel much more educated about the world around me. Through this experience, I have come to understand other cultures, practiced my Spanish, and had a great time with my fellow volunteers. I also really enjoyed working with community members and youth while volunteering. The experiences this trip has given me will stay with me forever."
