Week 2

LHEA Parent Newsletter

Welcome to this week's newsletter

I have had the pleasure of visiting numerous lessons this week and seeing lots of our students actively engaging in their learning. The teaching staff are working hard to create consistent routines and levels of expectation in relation to how the students should engage in their learning and it is really starting to make a difference.

The consultation on reducing the school PAN (the number of students in each year group) has now closed and the responses will be shared on the school website next week.

Finally, I wanted to congratulate our Head of English, Mrs Chambers-Boreland, who, on top of working tirelessly to ensure that the English department is excellent , has also been working on a MA in Educational Leadership which she has now completed.

Culture Curriculum at Lynch Hill Enterprise Academy

This week our culture curriculum has focused on students giving their best effort in class. It has been great to see so many students engaged in class and producing some of their work.
Next week we will focus on students being good active listeners, an aspect of the culture curriculum which directly links in with students learning more. Every minute of every lesson counts and 100% engagement, 100% of the time is vitally important that our students are excellent active listeners in order to take on new knowledge.

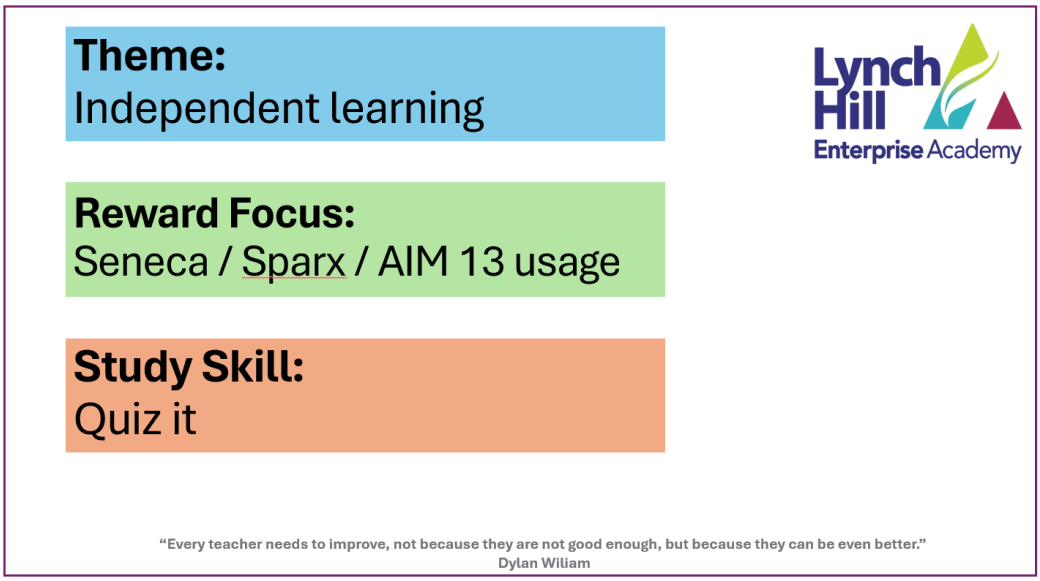

Active listening expectation for all students are to:

- Sit up straight in their chair
- Turn their body to directly face the speaker and look at the speaker if possible
- Put pens and any equipment on the table so they are not distracted
- Remain silent while the speaker is speaking and allow the speaker to finish speaking
- Ask questions to the speaker after they have finished speaking. This is to clarify some information.

As families of our students, we would like you to support us in teaching and reinforcing excellent routines with your children and discuss the above with them

Quiz it

Get a resource with information (could be a textbook) and create 5 challenging questions from a certain page or chapter. They can be as hard as you like but the answer must be in the book. You then quiz your partner and if your partner struggles you have to give hints (without saying what it is) until your partner gets it.
