Public Release: National School Lunch Program

Richmond College Prep participates in the National School Lunch Program (NSLP). Nutritious meals are available to all students each school day.

Eligibility for free and reduced-price meals is based on federal income guidelines. Households are encouraged to complete a Free and Reduced-Price Meal Application if they believe they may qualify. Applications are available in the school office and on the school website.

Even though meals are provided to students at no cost, income eligibility information is still important for state and federal funding purposes. Families are encouraged to submit an application to ensure the school receives appropriate funding to support student programs.
