

The Rangers wrestling team traveled to Austintown Fitch to compete in the annual sectional tournament, the first step towards the state tournament on Saturday. The short-handed Rangers battled tough and had place winners. Both placing 6th were Kolt Karovich and Miles Sullivan, and placing 2nd were Rion Dancy-Toma and Timmy Jesonovec. Both Rion and Timmy qualified for the district tournament and will compete Friday and Saturday at Wadsworth High School for a spot in the Ohio state tournament.

The lady Rangers wrestling team also competed in their sectional tournament at Euclid high School on Sunday. Placing third was Tempe Martinez. Tempe competes in the girls district tournament next Sunday at Mentor High School. Great weekend of wrestling!

LEAF will be holding the following free virtual informational sessions:

- **Making Sense of Student Loan Options**

Monday, March 2 at 6:30 pm

Once you receive your financial aid award letters, there is often a gap between the aid on the letter and the final amount of the cost to attend. Loans can be used to fill that gap. You will learn more about available loan options (Subsidized vs Unsubsidized or Parent PLUS vs Private) and their impact on your future. Sign up at leaf-ohio.org.
