## WEEKLY RECAP

Smokey Bear visited the kindergarten class this week, bringing his signature message of fire safety and forest protection. The children were excited to meet the friendly bear, who taught them about the importance of preventing wildfires.

Mrs. Seller's class had a day full of dinosaur-themed learning. The students were thrilled to see the room transformation and enjoyed standards-based learning through fun activities.

Students were challenged to see which class could earn the most Eagle Bucks for respect over a two-week time period. Congratulations to Mrs. Trick's class for winning!

If you would like to acknowledge a member of our McArthur team, please [click here](#) or scan the QR code. Shout outs and acknowledgements will be published in the Eagles Nest newsletter.

## STUDENT SPOTLIGHT

Amelia Yepishin was selected as the 25-26 McArthur Elementary Shining Star. Amelia carries herself with remarkable poise and humility. Her attitude is consistently positive, and even on days when she may not be feeling her best, she continues to model compassion and empathy toward her classmates. Amelia is known for her kindness and encouragement, always lifting others up and creating a welcoming environment. When faced with challenges, she shows determination and perseverance. Amelia is actively involved in gymnastics and ballet, demonstrating discipline, grace, and commitment. Amelia is a true joy to have in the classroom and an even greater joy to know as a young lady with a bright and promising future. Amelia will be honored at the Shining Star awards ceremony this week

*Congrats!*
