2026

CREDIT REPLACEMENT PROGRAM

NEW LEARNING PLATFORM

ONLINE REGISTRATION
OPENS MARCH 2 - CLOSES JUNE 26
[TROY.CE.ELEYO.COM](https://troy.ce.eleyo.com)

PROGRAM DATES: JUNE 15 - AUGUST 7

This opportunity is available only to current TSD high school students who have been invited to participate in the TSD High School Credit Replacement Program. The program allows eligible students to recover credit for courses in which they previously earned an NC (No Credit), E, or H grade. **Note that letter grades are not issued for credit replacement courses.** The new summer school online learning platform is "Subject". Courses will be completed in the Subject platform (see page 4 for more information). Only courses required for graduation are offered, and students may enroll in a maximum of **two** classes over the summer. Not all courses available through our schools are offered through the CR program; all electives and some core courses are not available for credit replacement. Please refer to the attached list for the courses currently offered.

Before selecting courses, students must meet with their school counselor to discuss their options.

Questions about Subject, email **Jeff Williams** at jwilliams@troy.k12.mi.us.

Registration questions, email **Katie Hancock** at khancock@troy.k12.mi.us.

Please see regular High School Summer School offerings for new credit, audit or regular credit recovery (Earned C, D, or E previously in course - letter grades will be given) options.

VIRTUAL LEARNING PLATFORM UPDATE

Classes will no longer be offered through Edgenuity. The new summer school online learning platform is "Subject". Courses will be completed in the Subject platform. Throughout the summer, students and families should ensure they have access to Subject and check the platform regularly for assignments. Additional information and support will be provided to help ensure a smooth transition. Registration for classes will still be completed via Eleyo.

Here are a few quick details about the Subject platform:

- Average course time is 50 hours to complete, courses are available to complete with 24/7 access
- Academic videos are each approximately 3-5 minutes long, to support learning engagement
- Spark is the 24/7 AI messenger support for subject area help
- Live Chat platform support is available from 9am-9pm
- Progress reports will be emailed home to families
- No app required
