

2026 - 2027 Financial Details

Affordability

More than 60% of students at TCA receive some level of financial assistance. Scholarships are awarded based on demonstrated needs of the family and the availability of funds. Scholarship applications are processed by FACTS, a third-party organization, to manage our tuition assistance process. FACTS will consider your financial situation to determine what your family can contribute toward a TCA education.

In addition to scholarships, TCA offers flexible payment plans to accommodate different family budgets, ensuring that a quality education is accessible to as many students as possible. The Christian Academy makes every effort to keep the price of tuition reasonable while providing an excellent education for each student.
