Dear Page USD #8 Stakeholders,

February 26, 2026

In alignment with Page USD #8's vision of ensuring all students have access to appropriate resources that serve their learning needs, the district is in need of reviewing a curricular resource for adoption for the following grade level and content area:

The above listed resource will be on display for parents and community members to view at the District Office Governing Board room starting February 26, 2026 and ending April 30, 2026. Page USD #8 curriculum committee will also review the above listed resource in order to collect input and seek feedback on the following days:

- March 25, 2026: Page Elementary Site Council- 4:30pm-5:30pm, Page Elementary School
- TBD: presentation from American Reading Company

A final selection will be presented to the Governing Board on May 12, 2026. During the May Board meeting, the Governing Board will vote on whether to adopt the new curricular resource. If you have any questions or would like to provide feedback, contact me at 928-608-4294 or amartin@pageud.org.
