Dear Page USD #8 Stakeholders,

February 26, 2026

In alignment with Page USD #8's vision of ensuring all students have access to appropriate resources that serve their learning needs, the district is in need of reviewing curricular resources for adoption for the following grade levels and/or content areas:

Grade level/Course content	Core Curriculum under Review
6, 7, 8	SAVVAS enVision + Math McGraw Hill Reveal Math

The above listed resources will be on display for parents and community members to view at the District Office Governing Boardroom starting February 26, 2026 and ending April 30, 2026. Page USD #8 curriculum committee will also review the above listed resources in order to collect input and seek feedback on the following days:

- Tuesday, March 24, 2026- Presentation from Savvas- 4:00-5:30pm, Page High School Fishbowl
- March 25, 2026- Page Elementary Site Council- 4:30pm-5:30pm, Page Elementary School
- April 8, 2026- Page High School Site Council- 4:00pm-5:00pm, Page High School Fishbowl
- TBD- McGraw Hill presentation
-

Attached to this letter are instructions for electronic access to review the curricular resources.

A final selection will be presented to the Governing Board on May 12, 2026. During the May Board meeting, the Governing Board will vote on whether to adopt the new curricular resource. If you have any questions or would like to provide feedback, contact me at 928-608-4294 or amartin@pageud.org. Thank you for your partnership and your involvement in the education of our school community's youth.

Kind regards,

Dr. Anne Martin, EdD
Director of Curriculum, Instruction, and Assessment
