Nature Based Farming

Professionally managed biodiversity net gain (BNG) units for statutory and voluntary markets

Did you know that most developments in England are now legally required to increase biodiversity?

Commitment
We've been farming, managing land and working with nature for generations. We know how to build long-lasting schemes and we understand the complexities of the BNG process.

Reputation
Our BNG units are based on land that is farmed restoratively and actively managed for biodiversity over the long term. Your brand will be associated with reputable schemes that make a real, positive contribution to nature and biodiversity.

Simplicity
We make it easy to meet BNG obligations. Buying high-integrity offsite units takes away the significant burden of managing, maintaining and monitoring biodiversity over the 30-year BNG period.

"We believe that BNG is most valuable when it's in harmony with food production and the local environment at each site."

LEAVE A LEGACY, CHANGE A LIFE

LAUNCHING 100 LIVES
CENTENNIAL BURSARY CAMPAIGN

SUPPORT THE CENTENNIAL BURSARY CAMPAIGN

At the Royal Hospital School, we believe in unlocking potential and creating opportunities for bright, deserving young people. The Centennial Bursary Campaign is at the heart of this mission, broadening access to an RHS education for future generations, widening the reach of the transformative power of education.

YOUR LEGACY, THEIR FUTURE

By leaving a gift in your will, you can make an extraordinary impact. Your generosity could provide life-changing bursaries for talented pupils who may otherwise miss out on an RHS education.

THE BENEFITS OF GIVING

Transform lives: Help fund bursaries that open doors to academic excellence, lifelong friendships, and opportunities that shape future leaders.

Tax advantages: Gifts left in wills are exempt from Inheritance Tax, meaning your legacy can go further while reducing the tax burden on your estate.

A lasting tribute: Your name or that of a loved one can be remembered through your gift, creating an enduring connection with the RHS community.

HOW TO LEAVE A LEGACY

Including RHS in your will is simple and rewarding. Every contribution, no matter the size, helps to sustain the bursary program and continue our proud tradition of empowering pupils to achieve their full potential.

Together, we can inspire and enable the leaders, creators and change makers of tomorrow.

To discuss your legacy or request an information pack, contact Lauren Bayliss-Fuller at lbayliss-fuller@royalhospitalschool.org
