**Pragmatist**

For you, post secondary education is ultimately about finding an option that doesn't break the bank, but also provides a solid education, network, and career for when you graduate.

# Student: Onboarding Overview

Onboarding is a one-time, guided experience designed to prepare you to use SchoolLinks. You will complete Onboarding the very first time you log into the platform.

## The Onboarding Experience

Onboarding is a 4-part process including:

- Taking the Find Your Path assessment
- Choosing a Career Cluster
- Selecting a Career Goal
- Selecting a Major/Training Goal

*\*Note: the choices you make in onboarding are not permanent. You will be able to retake the Find Your Path assessment and change goals after completing the onboarding process.*

The first time you log in to SchoolLinks, you will be prompted to complete "Onboarding." Click Let's go to get started.

The screenshot shows the SchoolLinks onboarding interface. At the top, a green header bar contains the SchoolLinks logo, the text "Student Demo Mode", and buttons for "Exit Demo X", "Switch user", and a settings gear icon. The main content area features a green heading "Welcome to SchoolLinks" and a sub-heading "SchoolLinks is a career, college and future planning tool." Below this is a white box with the heading "Let's get onboarding!". The text inside the box explains that users will take a "Find Your Path assessment (or Career Interest Inventory)" and will see their personality result and choose a career path. It also reassures users that their choices are not permanent and that they can retake the assessment. A prominent "Let's go" button with a right-pointing arrow is located at the bottom of the white box. In the bottom right corner of the page, there are two circular icons: a blue one with a white person silhouette and a green one with a white speech bubble.

## Welcome to SchoolLinks

SchoolLinks is a career, college and future planning tool.

### Let's get onboarding!

You're about to take the Find Your Path assessment (or Career Interest Inventory). Once you complete the assessment, you'll see your personality result and choose a career path that interests you.

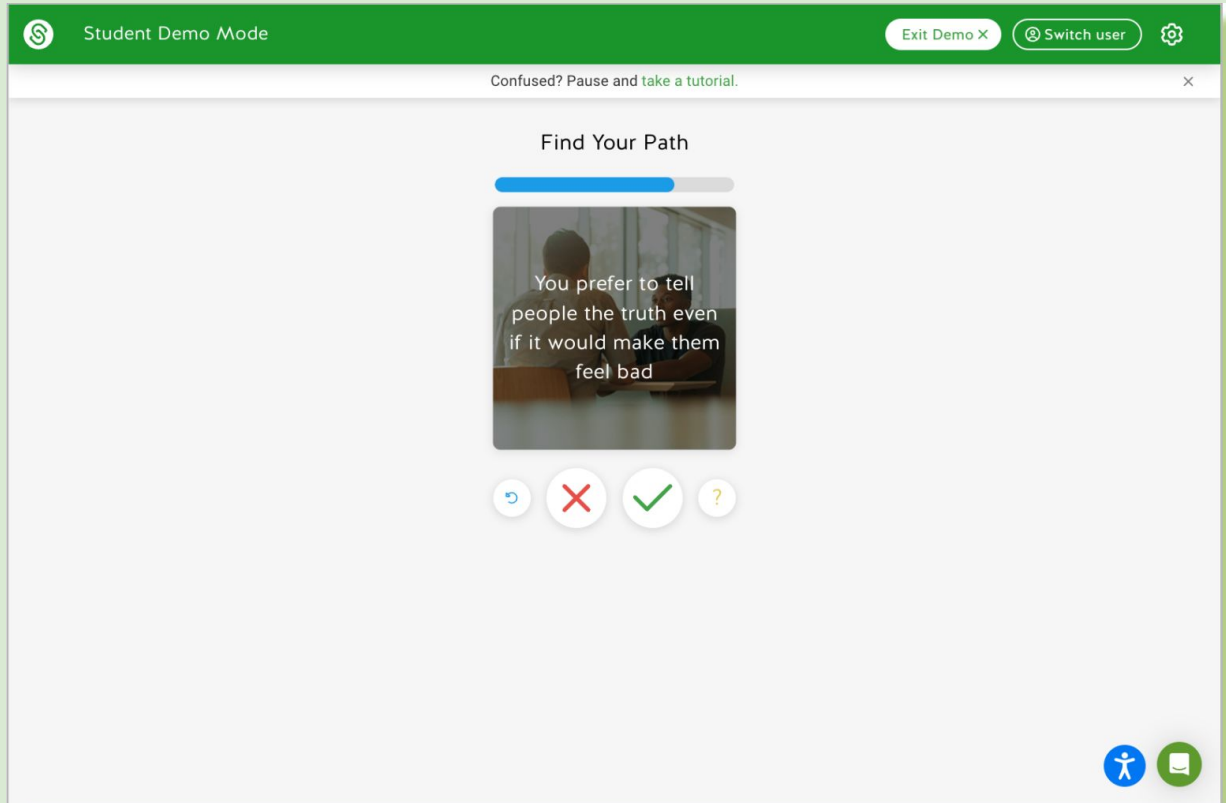

If you're not sure what to choose, don't worry.

- 👉 The choices you make now are not permanent
- 👉 You can always retake this assessment after onboarding

Let's go →

2. Complete the Find Your Path assessment. Reach each statement then click the green check if you agree or the red x if you disagree.

[Learn more](#)  *Student: Overview of Assessments*

The screenshot shows a web application interface for a student assessment. At the top, a green header bar contains a logo on the left, the text "Student Demo Mode", and two buttons: "Exit Demo X" and "Switch user" with a settings gear icon. Below the header, a white banner displays the text "Confused? Pause and take a tutorial." with a close button (X) on the right. The main content area is titled "Find Your Path" and features a progress bar that is approximately 25% full. Below the progress bar is a video player showing two people in a meeting. Overlaid on the video is the text: "You prefer to tell people the truth even if it would make them feel bad". At the bottom of the video player are four circular buttons: a refresh icon, a red X, a green checkmark, and a question mark. In the bottom right corner of the interface, there are two icons: a blue person icon and a green speech bubble icon.

3. Next, you will see a summary of your **Find Your Path** results including a personality match, a list of character traits, top career cluster matches, and celebrity personality matches. Click next to move to the next section.

The screenshot shows a web interface for a personality assessment. At the top, a green header contains a logo, the text "Student Demo Mode", and buttons for "Exit Demo X", "Switch user", and a settings icon. Below the header is a navigation bar with tabs: "Personality" (selected), "Career Cluster", "Career", "Major/Training", and "Results".

The main content area is titled "Personality Match" and features a sub-header "You're like the **Defender**". Below this, six personality traits are listed in blue buttons: Quiet, Friendly, Responsible, Loyal, Kind, and Practical. A small illustration of a person in a blue dress is to the left.

Underneath, there are three sections:

- Character traits:** Three items with green checkmarks: "Keep their promises", "Care for others", and "Prefer structure and organization".
- Top cluster matches:** Three items with icons: "Law, Public Safety, Corrections, & Security", "Government & Public Administration", and "Agriculture, Food & Natural Resources".
- Celebrity matches:** Four circular portraits of celebrities: Kendrick Lamar, Mother Teresa, Selena Gomez, and Beyoncé.

At the bottom of the page, there is a green "Next →" button and two circular icons: a blue person icon and a green document icon.

4. In the **Career Cluster** section, you will see a list of your top career cluster matches based on your assessment results. Scroll down to view all other clusters. Select a career cluster in which you are most interested.

The screenshot shows a web application interface for career cluster selection. At the top, a green header bar contains a logo, the text "Student Demo Mode", and buttons for "Exit Demo X", "Switch user", and a settings icon. Below the header is a navigation menu with tabs for "Personality", "Career Cluster" (which is highlighted with a blue border), "Career", "Major/Training", and "Results".

The main content area is titled "Choose a **Career Cluster** that interests you" and includes a link for "[Not sure what to choose?](#)". Below this is a section labeled "Top cluster matches" which lists four clusters:

- Law, Public Safety, Corrections, & Security**: You'll be responsible for providing for the safety and order of your community by protecting people from crime, fire, and disasters or working in the court system.
- Government & Public Administration**: There are many roles in government that keep our communities running smoothly. You can serve in local, state, or federal government or in organizations that provide for the common good.
- Agriculture, Food & Natural Resources**: This cluster focuses on how to manage, preserve, and distribute natural resources, and can involve working in food or agriculture.
- Architecture & Construction**: You would be responsible for designing, planning, building, and maintaining structures such as building, homes, highways, and bridges.

Below the "Top cluster matches" section is a section labeled "Other clusters". At the bottom of the interface, there is a navigation bar with a "Previous" button, a "Next" button, and two icons: a person and a speech bubble.

5. In the **Career** section, a list of all careers within your chosen **Career Cluster** will populate. Click the **See Details** link under a career to learn more about that career, then select the Career in which you are most interested in.

The screenshot shows a web application interface for career selection. At the top, a green header bar contains a logo, the text "Student Demo Mode", and buttons for "Exit Demo X", "Switch user", and a settings icon. Below the header, a navigation bar features five tabs: "Personality", "Career Cluster", "Career" (which is highlighted with a blue border), "Major/Training", and "Results". A search bar labeled "Search careers" is positioned below the navigation tabs. The main content area displays a list of six career options, each with a small image, a title, and a "See Details" link. The "Economic Analysis" option is highlighted with a light blue background. At the bottom of the interface, there are navigation buttons: "← Previous", "Next →", a blue person icon, and a green chat icon.

## 6. Select a Major/Training program option for your chosen career.

The screenshot displays a web application interface for a career assessment tool. At the top, a green header bar contains the text "Student Demo Mode" on the left, and "Exit Demo X" and "Switch user" buttons on the right. Below the header, a navigation menu includes "Personality", "Career Cluster", "Career", "Major/Training" (which is highlighted with a blue border), and "Results".

The main content area features the instruction: "Choose a Major or Training Program that interests you" followed by a link: "[Not sure what to choose?](#)". Below this is a search bar labeled "Search Majors".

A section titled "Related majors or training programs" lists several options, each with a small icon and a close button:

- Political Science and Government
- International Relations and Affairs
- Public Administration
- Public Policy Analysis
- Urban Studies/Affairs
- City/Urban, Community, and Regional Planning

Below the list is a section for "All majors/ training programs". At the bottom of the interface, there are navigation buttons: "Previous" (with a left arrow), "Next" (with a right arrow), and two circular icons representing a person and a message.

7. The **Results** section will include a  
summary of your:

- Find Your Path results
- Career Goal
- Major/Training Goal

**\*\*IMPORTANT:** You must click **Go to dashboard** to complete the onboarding process

You can also click the provided links to:

- visit the career profile to learn more about the career
- research other careers in the same career cluster
- see colleges that offer a program for that career

The screenshot displays a web interface for a career assessment tool. At the top, a green header bar contains the text "Student Demo Mode" and buttons for "Exit Demo X", "Switch user", and a settings icon. Below the header, a navigation menu includes "Personality", "Career Cluster", "Career", "Major/Training", and "Results".

The main content area is divided into two columns. The left column, titled "Personality Match", features a character icon and the text "You're like the **Defender**". Below this, a row of trait tags includes "Quiet", "Friendly", "Responsible", "Loyal", "Kind", and "Practical". Under "Character traits", there are three items: "Keep their promises", "Care for others", and "Prefer structure and organization". The "Top cluster matches" section lists "Law, Public Safety, Corrections, & Security", "Government & Public Administration", and "Agriculture, Food & Natural Resources". The "Celebrity matches" section shows four circular portraits with names: Kendrick Lamar, Kate Middleton, Beyoncé, and Shawn Mendes.

The right column, titled "Career Goal", shows a video thumbnail for "Economic Analysis" with a "Career Profile" link below it. Below that, it says "Other careers in Government & Public Administration" with a right-pointing arrow. The "Major/Training Goal" section features a video thumbnail for "Political Science and Government" with a "Colleges that offer this major" link below it.

At the bottom of the interface, there is a "Go to dashboard" button and two circular icons: a person icon and a message icon.
