HOW TO APPLY FOR FINANCIAL ASSISTANCE

FACTS is used by many independent schools across the US to help assess a family's ability to pay for private education and to help families feel confident that their request for financial assistance is being treated objectively and professionally.

Applying for Financial Assistance has no bearing on admission decisions and all financial information is held in the strictest confidence. The \$45 FACTS Grant & Aid application fee goes directly to FACTS.

1. Review the Antilles School Financial Assistance Policy (you can download a copy from our website www.antilles.vi)
 - a) Complete the Financial Assistance Application for School Year 2026-2027 online: <https://online.factsmgt.com/grant-aid/inst/4KDJ9/landing-page>
 - b) To complete the online application process, you will need to upload your **entire 2025** signed Federal Income tax return (i.e. all schedules/pages of the tax return must be provided), preferably as one PDF.
 - c) Applications are accepted up to the date financial assistance funds are exhausted or January 31, 2027, whichever occurs earlier.
2. Within a few weeks, your information will be analyzed by FACTS and a recommendation is sent to Antilles School.
3. The Antilles School Financial Assistance Committee reviews the FACTS report and supporting documentation.
4. The Committee's decision is communicated to the family via FACTS and the financial aid award must be accepted via the online process in order to be applied to the tuition balance.
