3118-F-2 Title IX Documentation of Supportive Measures Form – Internal Form

Supportive measures are non-disciplinary, non-punitive, individualized services offered and implemented by the Title IX Coordinator at no cost to the Complainant and the Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed. Supportive measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter sexual harassment. If the District does not provide a Complainant with supportive measures, the District must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

This form must be completed by the Title IX Coordinator.
