

CLUB FAIR!

Leader : Yaretzi Alvarez-Ortega
SAPS club

WHAT IS THE PROBLEM CURRENTLY?

the problem currently is that not enough freshman are joining clubs because not enough 8th graders know about what clubs are available to them once they enter high school, nor do they know what the clubs are even for. So I have a solution!

MY PROPOSAL

Invite 8th graders to highschool for a club fair

CAN WE EXPOSE
STUDENTS TO
CLUBS EARLIER IN
THEIR HS
EDUCATION?

THINGS THAT I'LL DO

- Talk to Mr. Pertzborn & Mr. Jelinek
- Organize
 - date - spring
 - location - High school
 - all clubs/advisors/booth
 - 8th students will be required to engage with different clubs
 - (clipboards and report to teachers)

RESULT

- More students will show up to the clubs that are offered to them
- 8th graders will be excited about highschool
- They might find comfort in the clubs they join in

CONCLUSION

More freshman will join clubs

8th graders will know all the clubs that are available

8th graders will understand all the high school clubs

8th graders will be more excited about high school

THANK YOU
