Colleges/Universities Visiting Lenape Tech	Visit Date
U.S. Army National Guard	3/10/2026 – TAP & lunches
BC3	3/16/2026 - TAP

**If you're a junior or senior interested in attending any of these college visits, sign up the guidance office!

Upcoming Events at Lenape Tech

- 10th Grade Student Intent Forms Due: March 3rd
- Snow Make-Up Day (School is in session): March 20th
- Armstrong-Indiana Career Fair Field Trip: March 26th – interested juniors and seniors should pick up a permission slip in the guidance office

Important Reminders

- 10th and 11th graders: It's time to start scheduling courses for next school year! Start to think about the classes you'd like to take. It's not a bad idea to talk to your parents and teachers about course suggestions for next school year. Course descriptions can be found on the Lenape Tech website.

Juniors, if you plan on continuing your education after high school, research the schools you're interested in to see if they require an SAT or ACT score. A number of colleges/universities are still test optional so test scores may or may not be required. If required, you'll want to prepare and register for an exam this spring/summer with hopes of having your testing completed by November of your senior year. Please see the SAT/ACT test date information below.
