Where Vision Becomes Legacy

Annual Report of Violent or Criminal Incidents

The Annual Report of Violent or Criminal Incidents includes the number, rate and type of violent incidents that occurred on each district campus, to the extent permitted under the Family Educational Rights and Privacy Act of 1974 (FERPA) during the reported school year.

School Violence Prevention

Sheldon Independent School District believes by engaging our students in engaging lessons that explore and incorporate higher-level thinking skills, we can ensure success for all students. The Sheldon ISD Guidance and Counseling Department provides a comprehensive counseling program that supports students in their educational, social, and personal development.

Our character education topics for the year are:

- Trustworthiness
- Respect
- Responsibility
- Fairness
- Caring
- Citizenship

These concepts are taught comprehensively, proactively, and intentionally through research-based practices that encourage positive relationships between students, faculty, and staff, as well as the broader community. We believe that this approach is the best way to protect students and prevent school violence.
