## Why Support?

For the child who struggles with reading, writing, math and executive functions, The Summit School experience makes all the difference in lifelong outcomes and impact. Proceeds from The Bash directly support the needs of our students and faculty.

The Bash will celebrate the growth of both young minds and our school. The evening will highlight the importance of nurturing and educating children, while also showcasing our exciting campus expansion. This new development will provide state-of-the-art learning spaces designed to support the next generation. Together, we are cultivating a bright future for all.
