Preventing Bullying

Our students have been learning about the real definition of bullying and the difference between mean and rude vs. bullying. We are also promoting and teaching about using kindness to prevent bullying. We want all students at Cielo to feel welcome, included, and comfortable when they come to school. Many of our students are also learning how to be Upstanders 😊

Spring Break Reading Challenge:

Over Spring Break, please have your child/children participate in the new Reading BINGO board. If a child practices reading a little bit every day, it can make a significant difference in their achievement and growth.

Students who return the BINGO all completed i.e. Blackout will earn a small prize.

State Standardized Testing: AzSCI & AASA

The testing window for the annual state standardized testing is March 30-April 17th.

Please try to have your 3rd, 4th and 5th graders in attendance on their testing days.
