

FFA IS GROWING STRONG

If you've been wondering what our Grant Union FFA chapter has been up to lately... buckle up - because this year has been packed with fun, leadership, and some seriously amazing accomplishments.

From competitions to classroom projects to exciting trips, our members are proving that agriculture education is anything but boring. Let's take a peek at what's been growing in the program...

FFA Week Fun

Last week was full of energy as we celebrated FFA Week with dress-up days that brought out the spirit across campus. Even students who aren't in FFA jumped in on the fun, which was awesome to see! It was a great reminder that our FFA chapter is building positive vibes and school-wide excitement.

Members to Watch

Seth Beam has been all-in this year. He's showing market lambs and breeding goats at the Grant County Fair. Seth's steady work ethic and positive attitude make him one to watch.

Summer Berry brings great energy wherever she goes. She has worked especially hard preparing for Agricultural Issues Forum while also competing in Conduct of Chapter Meeting. Her upbeat spirit and strong focus make her a fantastic teammate and leader in the making.

Chloe Hardiman continues to impress us all. From confidently leading a manager meeting at Chester's to running her own lamb breeding business, Chloe models what it means to be a young entrepreneur and leader. We are also celebrating her blue banner in Beginning Job Interview — way to go, Chloe!

The Chapter Is Growing!

- 13 students are headed to State Convention in Redmond (March 19-22)
- 14 students have already expressed interest in National Convention in Indianapolis
- Participation in CDEs and LDEs is on the rise

Translation: our members are stepping up in a big way.

Members have been busy competing and representing Grant Union well!
