

Williamson County School Board policy requires students to have a current athletic physical from a medical provider on file with WCS in order to participate in any BMS extracurricular activity involving athletics.

Athletic physical forms are now available on the TSSAA Website <https://tssaa.org/physical-forms>

The only form families will be required to UPLOAD is the physical form. The form needs to be completed and signed by a medical provider, and then uploaded (by the parent) to FinalForms. In addition, both the parent and the child must e-sign their respective online forms in Final Forms. Coaches and staff will not accept paper copies for tryouts or other activities.

RETURNING Families: your student's FinalForms password is the same password they use to log in to their school computer. If there is trouble signing in, they can click "Forgot Password" below the log in. A link will be sent to the student's WCS' Gmail account to reset it. After the physical is submitted, students must sign their own set of electronic forms, and parents must also sign their own set of forms. Emails will be sent from FinalForms with prompts for students and parents.

NEW Families to Williamson County Schools (who have not yet been provided access to the FinalForms dashboard or given their WCS Gmail passwords), please contact athletic director, Ben Hahs benjamin.hahs@wcs.edu.

Each physical from the student's medical provider is valid for one calendar year, however, the student's physical must be dated after April 15, 2026 to qualify for the 2026-2027 school year. I highly suggest having your child's physical completed by a medical provider during the summer months.

We thank you for your continued support of Brentwood Middle School Athletics! Go Vikings!

Sincerely,

Benjamin Hahs

Athletic Director
