

Levi Elementary
"Where Learning is Successful for All"
Family Engagement Plan Parental

Involvement requires active participation of parents in the education of their child. Our Family Engagement Plan at Levi Elementary was prepared jointly with our parents. Our goal is to prepare parents to be knowledgeable of the skills and information needed to help their children to be successful in school. Levi Elementary School pledges to eliminate barriers to parental involvement in the following ways:

Levi Elementary School will communicate its federal designation status to parents, families, and stakeholders in a timely manner through multiple methods, including written notifications, the school website, family meetings, and other district-approved communication platforms.

Consistently acknowledge and greet parents in a friendly and welcoming manner when visiting the school.

Provide meetings at various times that allow all parents to participate.

Use simple and direct language in written materials (English and Spanish versions)

Provide interpreter services when necessary

Provide timely information to parents about programs under parental involvement

Respond promptly to ideas, concerns, and suggestions

Continue to have daily communication throughout the school to ensure the success of all students

Develop a Parent-School Compact and Family Engagement Plan jointly with parents

Provide opportunities to communicate problems to the principal

Levi Elementary School will encourage parents to become meaningfully involved and promote strong parental involvement in the following ways:

Participate in the School Leadership Council, become room parents, and attend parent-teacher conferences

Attend and participate in conferences, workshops, and instructional activities to educate parents on the curriculum and assessments surrounding their children's education

Conduct regular and flexible parent meetings to keep parents informed of current events and issues, timely progress reports, and parent-teacher conferences

Convene an annual meeting at flexible times and invite all parents. During this annual meeting, Title I and NCLB programs, activities, and curriculum will be explained

Provide a Parent/Student Handbook covering school rules, policies, and procedures

Allow parents to participate in revising the Family Engagement Plan and Parent-Teacher Compact
