

After School Art Class

Kids Love Arts is offering after school art classes with art educator Callie Darland! Join other Utsalady student artists in this 6-week after-school art adventure and let nature be your muse! Each week, your child will think to the world outside—leaves, flowers, skies, and more—to spark imagination and inspire unique artwork. Fun, hands-on projects will help your child express themselves, try new techniques, and create something amazing to take home.

Open for all Utsalady Elementary Kindergarten thru 5th grade students.
