Transition Update**

**March 2, 2026**

# Purpose of Tonight's Update

- **Student registration for the 2026-2027 school year.**
- **Classroom moves scheduled for this summer.**
- **Transportation routing progress.**

# Student Registration for 2026-2027

- Over 30% of our known 884 kindergarten students have already registered through early registration.
- Registration officially opens April 1. All schools will host registration events or offer appointments for in-person assistance.
- Families submitting a change of address must complete residency verification before enrollment is finalized.
- Schools impacted by address changes are notified to ensure accurate placement.
