

Message From the Principal and the SIC Chairperson

Located in the heart of the historic Ashley River district, Springfield Elementary School is one of the few remaining neighborhood schools in Charleston County. Springfield is committed to increasing student achievement for all students. Highly qualified teachers differentiate instruction to meet diverse learning needs and collaborate to strengthen instruction through inclusion and a supportive professional learning community.

Quarterly SPIRIT Rallies recognize exemplary student performance in academics, attendance, and citizenship.

Springfield encourages strong family partnerships and welcomes parent involvement through the PTA, Title I Planning Team, and School Improvement Council. High levels of parental engagement help ensure student success and strengthen our school community.

Springfield integrates cutting-edge technology aligned with the South Carolina College- and Career-Readiness Standards. Classrooms are equipped with Promethean Panels, document cameras, teacher iPads, and laptops. Students in grades K–2 have access to iPads, while students in grades 3–5 use Chromebooks. Digital platforms such as Seesaw, Google Classroom, i-Ready Reading, i-Ready Math, and Math Fact Lab are used regularly, and students receive weekly technology instruction through related arts.. At Springfield, students come first! Megan Williams, Principal
