Senior News

Do you have symptoms of **SENIORITIS?**

Don't let this serious illness catch you off-guard! All college acceptances are contingent upon your final GPA. Colleges have the right to revoke admission if the final GPA differs from the GPA at acceptance time. Many students who have caught senioritis have been placed on probation prior to enrolling in courses! Start your college years with pride, which means finishing your high school courses with a vengeance!!

College Scholarships are available for those students who put in the extra effort to apply! Keep in mind that merit scholarships are automatically given based on grades and scores, while others require extensive work such as additional essays and/or interviews. Name Verification on Hewlett High School Diploma:

Students wishing to have their name displayed differently than how it currently appears in Infinite Campus, must **fill out this form** and submit to the PPS Office as soon as possible!
