

BOARD MEETING HIGHLIGHTS

ANCHORAGE INDEPENDENT SCHOOL DISTRICT

February 26, 2026

Mrs. Melissa Durham's fourth grade students, Albert Yang, Rory Galen, Windsor Berg, and June Johnson, showcased their Medieval Museum projects for the board.

Thursday's board meeting began with a moment of silence in remembrance of a cherished member of our community, honoring her life and impact made on our school family.

At the meeting, the board heard City Council, APTA, Superintendent, facilities, school administration and financial reports. Principal Wallingford highlighted school initiatives including: Love the Struggle Month, No One Eats Alone Day, middle school math instructional resource adoption, and advanced coursework planning.

On consent, the board approved school activity funds, bond of the Treasurer, prior meeting minutes, surplus technology declarations, Special Olympics Polar Plunge fundraiser, Studer Education rounding agreement, and innovation lab pay apps. Accounts payable invoices, an updated STEM teacher job description, and a

PowerSchool Smart Find Express absence management licensing contract were also approved. True Landscaping was awarded the lawncare and snow removal annual contract. The APTA presented the preliminary design and construction estimate for their "Big Ask" project for the school auction to be held this Saturday, March 7th. The board approved the concept and pledged a \$50,000 contribution to the project from the district.

The next monthly Board Meeting is scheduled for Wednesday, March 18, 2026 at 6:00 p.m in the library. Please contact Superintendent Sharla Six if you have any questions or for more specific details please see the monthly board minutes.
