

Millwood NEWS

Dear Millwood Families,

March is full of exciting events at Millwood Elementary! We are looking forward to celebrating reading during Read Across America Week, encouraging our students to grow as lifelong readers and leaders. Our Sumter Speed season is kicking off this week, and we can't wait to see our students show determination and teamwork on the track.

This month, students will also take their final MAP tests of the year, giving them an opportunity to demonstrate the growth they've made. A few MAP testing reminders: *Be on time every day! Get a good night's sleep. Eat a healthy breakfast at home or at school. Bring a positive attitude and do your best!*

Our World's Finest Chocolate fundraiser will begin and we thank you in advance for supporting our school! Finally, please mark your calendars for parent conferences on our half day, March 13th. We appreciate your continued partnership in helping our students succeed.

Mr. Campbell, Principal

Title I

Millwood Elementary School is a Title I school. Title I is the largest federal aid program for our nation's schools. The primary purpose of Title I funding is to provide financial assistance to school districts and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.
