CONTRACT MANAGEMENT

The Board has determined that, as Florida State University provides contractual and affiliation agreement services for Florida State University Schools, Inc., the District shall utilize and adhere to university adopted contract management and research administration platforms and guidelines. Prior to Board approval (where applicable) Florida State University systems will be used both when the purpose of the contract is to conduct research or carry out a sponsored activity and for contracts or affiliation agreements related to activities other than conducting research that requires the approval of terms and conditions.
