REQUEST FOR PERMISSION TO USE THE DEXTER COMMUNITY SCHOOLS LOGO

The trademarked Dexter Community Schools logo is available for use by our school groups and school-sponsored clubs upon request. We occasionally grant permission for one-time personal use under the conditions listed below.

It is important that our logo is used appropriately to represent our schools and in a manner consistent with our mission: educating and developing preschool through grade 12 students.

All materials created using the Dexter Community Schools logo(s) must be consistent with the school district's brand using the logo in its original proportions. In no circumstance is it to be used in association with any event or activity that conflicts with any DCS policies, nor may it be used in a manner that is disparaging to individuals and/or to the District.

By signing this request form, you agree to abide by our policies regarding logo use.

DCS Logo Use Acknowledgment

I understand that the DCS logo is being shared with me as a courtesy. I understand that it must be used in a manner consistent with the District's mission and may not be used in a manner that conflicts with district policy or which is disparaging to individuals and/or the District.

I agree that I will only be using the logo for personal use and I will not be sharing the logo with anyone else. I will not sell items made with the Dexter Community Schools logo on them.
