If you're at least 15 years of age and can complete a prerequisite swim test YOU can become an American Red Cross Lifeguard. Join the team of Lifeguards and learn life-saving skills such as CPR, First Aid and water rescues. Participants must be turning 15 years old on or before the final day of the in-person skills session.

Prerequisite Swim Test:

The prerequisite swim test is a two-part test consisting of a 200 yard continuous swim, a two-minute tread and a timed event including a swim and rescue. More information about this prerequisite swim test can be found on our website.

Working as a Lifeguard...
