Advanced Courses | 6th

- Advanced classes are offered for Reading/Language Arts, Math, Science, and Social Studies.
 - Recommended Masters performance level on previous year STAAR test in same subject, CTBA scores of 90 or higher, and 90 or higher class average in same subject in current year. All data is collected and reviewed by the campus to determine placements.
 - Scholar selection does not indicate course placement.
- Parent/guardian signature is required.

Course Selection Forms

- You'll get a blue packet from your RLA teacher.
- This has course selection forms, course descriptions, and course applications (if needed).
- Take this home to parents/guardians, review, collect signatures, and return by 2/26 (AES) or 2/27 (AEN & LES).
