 Today's Women's History Month quote comes from *Mexican artist and painter Frida Kahlo* who once said, "Nothing is absolute, everything changes, everything moves, everything revolves, everything flies and goes away."

Spring Sports Practice and Tryouts continue today!

 **Wrestling** meets every day this week from 3-5pm.

 If you are trying out for the Golf Team and your LAST NAME begins with K-Z, you will meet the coaches today at the Carmel Valley Ranch Clubhouse from 3:30-5:30pm.

 **Tennis Team:** Your first day of tryouts begins TODAY! Meet your coach at the CMS Tennis Courts after school from 3-5pm.

All athletes should arrive a few minutes early, bring the appropriate equipment, wear proper athletic attire, and bring water. We look forward to seeing everyone at tryouts and wish you the best of luck!

For a complete list of the Spring Sports practice and tryout schedules, please visit our school website and click on **ATHLETICS**.

 **Battle of the Books is happening at the end of this month!** Starting March 23rd, there will be four days of battles, followed by a final battle on Friday! A schedule will be posted soon. Stay tuned for more announcements!

 **Attention students who signed up for Carmel Rephaeli's Science Experiment!** Check your emails! Carmel has sent emails to all participants, including some from the last time she did experimentation at school. Volunteers are still needed for the short student-run experiment! Participants will receive **extra credit from science teachers AND a sweet treat** for helping out. To sign up, ask your science teacher, or Carmel Rephaeli

 **Practice Makes Perfect!** Pi Day is almost here, and our Pi competition will be taking place on Thursday March 12th in the Library at lunchtime! How many digits can you recite? For every 12 digits, you'll get a chance to win pie-tastic prizes. The top scorer gets a delicious pie and library fame! Start practicing today!

 **In the 8th grade Wiffle Ball Tournament of Donuts yesterday,** the field was empty as the 1st grade jitters kept the Anderson squad from showing up. We have rescheduled the matchup for the end of the week and can only hope the two teams can rally together to field their squads and produce some entertaining wiffle ball. Today's highly anticipated matchup will have the **Moreno GAVINS** taking on **KFC** (the Kuenz-Ford-Class).

Today's other lunch time activities

 **County Science Fair Participants:** Please meet in Mr. Matheson's room S2 today at lunchtime.

 **Calling all chess players!** The first annual freestyle chess tournament is upon us. Yes! Freestyle chess (also known as Fischer Random Chess or Chess 960) will be the theme for our next tourney. This style of chess prevents players from memorizing and playing traps and defines true chess champions. Come sign up in Room C-6 or with Mr. Mayer.

 **Film Fans!** Will Cacifer & Sophie ever be free from their curses? What about TurnipHead? Come find out today at lunch in D7 and watch the resolution of **Howl's Moving Castle**.

 **Today's Menus: Breakfast:** Breakfast Burrito, a Pancake Bowl, and Reduced Sugar Trix

Lunch: Orange Chicken over Fried Rice, a Deluxe Cheeseburger, Turkey Club Sandwich, or a Yogurt Parfait with Granola.

 **Happy Birthday to:**
