Holy Family Booster Club – Discussion

- **Policy Review:** We reviewed proposed revisions related to state qualifying teams and clarification of Booster Club fund policies, including whether funds could be allocated to individual athletes or by team. After discussion, the committee agreed this approach does not align with the direction of the Holy Family Booster Club at this time.
- **Committee Focus:** The committee discussed strengthening our role in **community engagement**, with an emphasis on increasing student attendance at games. Ideas included creating fun activities, themed events, and promotions to encourage more students to participate and support Holy Family athletics.

Next steps will include gathering ideas for student engagement activities and identifying volunteers to help plan upcoming events.
