Letter from the Principal

East High School Families,

As we enter the third trimester and the final stretch of the school year, we are focused on finishing strong and ensuring a safe, positive learning environment for every student.

We are reaching out to ask for your partnership. Strong attendance and consistent engagement are essential to student success, and lately we have seen an increase in students wandering the halls or spending extended time in restrooms. We have also received more reports of vaping, multiple students occupying a single stall, and students attempting to place items in ceiling tiles. These behaviors create unsafe situations for both students and staff, who conduct frequent restroom checks throughout the day.

We are grateful for the staff and students who speak up when they see concerning behavior. What we need from you is to continue conversations at home about the importance of attending class, avoiding vaping and other unsafe behaviors, and reporting inappropriate actions to school staff immediately.

School board policy 443.9 (Insubordination: Defiant by Action) defines loitering or trespassing as being in any school location without an educational purpose or permission. Policies 443.3 (Tobacco, Nicotine, or Alternative Smoking Products) and 443.3 (Alcohol/Drug: Distribution or Possession) prohibit the possession, use, or being under the influence of any substance while at school or school-related events.

Violations of these policies may result in a range of consequences depending on severity and frequency. These may include conversations with administration and reteaching of expectations, searches, detention, time in the intervention room, restorative meetings, suspension, or—when necessary—disciplinary or expulsion hearings.

Our goal is always to maintain a safe, supportive environment for all students. When students loiter or engage in behaviors that violate board policies, it compromises that safety. Your partnership in reinforcing expectations at home makes a meaningful difference. Thank you for your continued support.

Lisa Lipp

Update to Payment Processing for Student Fees and Food Service

To help manage the increasing cost of credit card processing fees, the district will begin applying a 3.85% processing fee to all credit card payments made through the Infinite Campus Parent Portal. This includes payments for student fees as well as deposits to food service accounts.

We are also introducing a new, lower-cost electronic payment option: ACH bank payments. By entering your bank account information in the Parent Portal, you can make payments electronically with a fee of $1 per transaction.

As always, cash and checks remain acceptable forms of payment for both student fees and food service.

Families check with your students, these are the current items sitting on our table in the Attendance office for Lost and Found.

If they think they are missing any electronics or jewelry ask the Office Staff to check the bin.

<u>Lost and Found items will be cleaned out during Spring Recess at the end of March</u>

Scholarship Information

It's time to apply for scholarships! The **GBAPS Scholarship Guide** offers all GBAPS students the opportunity to quickly browse local and national scholarships. The Scholarships are organized by due date and are updated often.

The East High School application opens March of 2025. These scholarships are for East High Students only. The link will be provided to students via email as the date gets closer.

FAFSA

FREE Application for Federal Student Aid

Seniors, visit FAFSA.gov to learn more about applying for grants, work-study and low-interest student loans. The FAFSA is being updated and hopefully will be available in December online at FAFSA.gov
Please see your counselor and/or Mrs. Kong in the Career Center for assistance with FAFSA.

FSA ID

In order to complete your FAFSA online you will need an FSA ID! A FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature. Students who are SENIORS and one parent/legal guardian will need to create an FSA ID. Visit FSAID.ed.gov.

Did you know that East High School has a Career Center? There is a wealth of information pertaining to post-secondary planning including links to college and technical college websites, a calendar for each month highlighting what reps will be visiting, the most recent scholarship postings, local job opportunities, the military, and volunteer/service learning sites. This is an excellent resource for all students and parents!

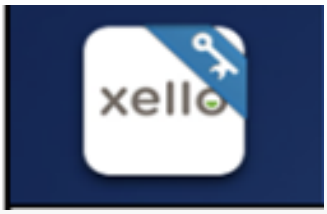

UW Panel & College Fair Coming to East High School on March 25

East High School is excited to host a University of Wisconsin Panel and College Fair for all Juniors on March 25. This special event will bring representatives from all UW campuses to share insights about admissions, campus life, academic programs, and financial aid.

Students will begin with a Q&A panel, where they can hear directly from UW experts and ask their own questions about preparing for college. Following the panel, Juniors will attend a UW College Fair, offering the chance to connect one-on-one with campus representatives, gather resources, and explore pathways within the UW System.

This is a valuable opportunity for students to start planning their future, learn what universities look for, and discover what makes each UW campus unique.

Green Bay Public School students now have access to XELLO! Xello helps students discover the pathway that's right for them whether it involves a trade, college, university, entrepreneurship, or other training. As students gain self-knowledge through assessments and reflection, they save careers, schools, programs, and experiences to form a vibrant, visual roadmap that's easy to update and share. The Xello App can be found on your students' Launchpad!
