Notes

Revenues

Property Taxes Line 1.01 & 1.02- Property Taxes are (\$768,492 - 7.6%) under budget which is definitely timing, we will review this in more detail next month.

Income Tax Line 1.03 is .9% (\$45,093) over budget for the fiscal year. We have budgeted a 3% increase for the fiscal year.

State Foundation is currently \$222,724 (2.5%) under budget. We have started to use the FY25-26 enrollment numbers, we have dropped 153 students. Three negatives on the foundation are the Student Wellness and Success dropped because the number of Economically Disadvantage has dropped 104 students (\$56,809) and the Gifted Funding is down (\$23,607) are Pre-School special education is down (\$80,991).

Property Tax Allocation – Rollback and Homestead are 8.4% (\$70,833) over the budgeted amount. Again, the March or April 2026 Settlement and the state legislation will impact this budget.

Miscellaneous Revenues Line 1.06 year to date reflect \$535,221 (32.4) under budget, tuition payments are below budget, we are watching for the Excess Cost which payment will be made in March and Threshold which will we be reporting in the next couple of weeks. Fees are \$47,382 under budget fiscal year to date compared last year. Interest Income is running slightly \$22,087 under budget, this revenue has flipped from January. Interest Income will become more difficult to maintain as rates are dropping and we have \$4,409,000 less invested from dropping fund balances.

Total Revenues are \$1,410,511 (5.3%) under budget need to consider the property tax year to date.

Expenditures

Wages and Benefits are currently (.03%) \$6,396 over budget.

Purchased Services (10.5%) \$284,366 is significantly over budget and we will watch as we progress through the fiscal year. Utilities (Electric, Natural Gas, and Water/Sewer) are running \$272,312 high than FY2025.

Supplies changed to 10.2% (\$110,859) under budget, we will be faced with the FY26-27 chrome books and curriculum purchases in the late Spring.

Total Expenditures are \$152,884 (.6%) under budget.

This report is provided by RedTree Investment Group, a Registered Investment Adviser with the SEC, solely for informational purposes and is intended for use by the account holder(s) listed.

The valuations and performance shown in this report may differ from those provided by the custodian due to differences in pricing sources, the timing of data reconciliation, and the treatment of accruals or cash flows. We encourage you to compare this report with your custodial statement.

Advisory fees are charged based on the terms outlined in your Investment Advisory Agreement. Fees may be calculated as a percentage of assets under management and may be deducted directly from your account(s) at the custodian. Please refer to your agreement and your custodial statements for fee details.

This report may include hypothetical assumptions or forward-looking illustrations regarding the income, yield, or future value of fixed income securities currently held in your portfolio. These projections are for illustrative purposes only and should not be interpreted as guarantees or predictions of actual results.

Fixed income securities, including corporate, municipal, and other debt instruments, are subject to the risk that the issuer may default on interest or principal payments. In such cases, the bondholder may lose some or all of their invested principal. Hypothetical models typically assume full and timely payment of all interest and principal, which may not reflect actual outcomes in the event of issuer distress or default.
