From Dr. Morales:

Dear Panther Community,

There have been a few changes to the Boulder High School family this March. I wanted to share that Tracey Black has decided to leave BHS. I know she has been a huge student support and her presence will be missed. While we engage in the hiring process, we are fortunate to have intermittent support from a new BVSD MHA Dariza Martinez.

I am also thrilled to share that we have a new office manager. Please join me in welcoming Mariah Green to BHS.

"My name is Mariah Green and I am the new Office Manager for BHS. I am excited to be joining the Boulder High School Team. Prior to moving into administrative work, I worked in marketing communications and social media. In addition to my new role, I am the assistant dance coach at BHS. The 26 - 27 season will be my second year at the school. I look forward to getting to know you and more of the BHS community."

Celebrating 150 Years!

We are now accepting photo submissions for BHS's 150th Anniversary Celebration! During our event on May 8, 2026, we will have a slideshow that features images and videos from BHS's storied history. If you would like to submit images from your time at Boulder High to be included in this slideshow, please attach them to this Google Form: <https://forms.gle/GN95tvxfDodTQwsPA>

Alternatively you can email images and videos directly to bhs-archive@bvsd.org.

Thank you so much! We look forward to sharing your memories with the community!

Boulder High- Your Japanese Sister City's on the phone!

On February 13, student volunteers of NJHS and the Japanese Classes visited Centennial Middle School - Our students shared Japanese culture and enjoyed a wonderful exchange with the middle schoolers. The name tags written in Japanese and sushi-shaped erasers were a big hit. It was a meaningful opportunity to connect with the community through cultural learning.
