March 3, 2026

Dear Ewing School Community,

Due to the unusually harsh winter conditions this season, our district has exceeded the number of built-in snow days included in the approved school calendar. As outlined on the district calendar each year, when emergency closing days surpass those built into the schedule, we are required to make up those days at designated times later in the year.

To meet this requirement while minimizing the impact on our families and staff, we will implement the following adjustments:

- **March 20** will be converted from a full Professional Development Day to an **Early Dismissal Day for students**, with professional learning for staff held in the afternoon. There will be NO PM Integrated Preschool or PM Bridge Preschool classes on March 20. This structure allows us to receive State credit for student attendance while still meeting our professional development obligations through an amended format.
- **March 30** (the Monday of Spring Recess) will now be a **full day of school for students and staff** to make up the remaining snow day.
- Morning Before School Care and Boys and Girls Afterschool Care programs will run on both days, March 20 and March 30.

Our goal in making this adjustment was to limit the disruption to Spring Recess to one day rather than two, while ensuring we remain compliant with state requirements and maintain continuity of instruction.

We also recognize that March 20 coincides with a religious observance for members of our Muslim community. Students and staff who are unable to attend school on that date due to religious observance will be excused in accordance with district policy and state law. We remain committed to respecting and supporting the diverse religious traditions represented within our community.

We understand that calendar changes can create inconvenience for families, and we appreciate your flexibility and partnership as we navigate the challenges of this winter season.

Thank you for your continued support of the Ewing Township Public Schools.

Sincerely,

Dr. David Gentile
Superintendent
