

Hello Southwest Parents,

This is Dr. Richmond calling with some important information.

Today students came home with fundraiser permission slips. We will be selling chocolate bars as a school fundraiser.

We receive funds to cover the bare minimum such as copy paper, pencils, etc. However, have you been in our gym lately? This school wide fundraiser is all about our gym! The SWMS gym has not received any love and care since 1992 when the school was built. It is in need of repainting, a decent sound system, and many other items that our kids and community deserve.

Our basketball team has brought home back-to-back championships. We want our gym to match the winning programs at Southwest. Please consider allowing your child to participate and be part of that Southwest pride.

Please reach out to your grade level assistant principal with any questions.

Have a great night!

Dr. R
