March 3, 2026

Addendum No. 1

The following response addresses question(s) submitted by vendor(s) on March 3, 2026; responses to the question(s) are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. Would it be possible to meet in person to discuss potential cooperative contract pricing for these services?

   Prior to the RFP due date, the District will not be meeting with vendors to discuss potential cooperative contract pricing for elevator maintenance services. Vendors wishing to provide cooperative contract pricing information for the District's consideration may do so in their respective proposals. If such proposed cooperative contract pricing is of interest to the District, the District may contact select vendor(s) to discuss and clarify the details regarding the proposed cooperative contract pricing (such as District's eligibility to receive the cooperative contract pricing, any applicable pricing discounts, etc.)
