Release: February, 2026

As we begin 2026, I am excited to share some meaningful updates from Revere Local Schools. On Tuesday, January 13, our Board of Education held its annual organizational meeting. I was honored to witness newly elected board members Jennifer Burke and Jeffrey Bowler take the oath of office. In addition, Kasha Brackett was elected Board President and Jennifer Burke was elected Vice President. During the meeting, the Board approved the dates, times, and locations for its regular 2026 meetings, which can be viewed on our website at www.revereschools.org.

On Friday, January 16, Revere proudly hosted the Summit County Safety Summit at Revere High School, led by our District S.R.O., Scott Dressler. The event brought together security personnel from across Summit County, Ohio Schools Council representatives, and local safety forces, with Bath Police Sergeant, Eric Shaffer delivering the keynote. At Revere, student and staff safety remains our top priority, and events like this allow us to share best practices and strengthen our community partnerships.

I would also like to extend my heartfelt thanks to the Revere Schools Foundation for their unwavering support of our safety initiatives. They will be hosting a magic show on Sunday, March 22, 2026 at 3 p.m. in the Revere High School auditorium. Tickets are available at MagicGivesBack.com, with a portion of proceeds supporting the Foundation.

In addition, I will be a Coach for Revere Power Pack's annual "The Voice" fundraiser on February 7, 2026. Revere Power Pack is a non-profit organization that's primary goal is to support our Revere students in need with food on the weekends and other non-school days. It is an honor to support this event each year. For more information about Revere Power Pack and this event, please visit: <https://www.reverepowerpackprogram.com/>

I look forward to another year of learning, growth, and community collaboration here at Revere Local Schools to ensure that *every student thrives!*

Dan White
Superintendent, Revere Local Schools

Revere Schools Foundation - Illuminate

The Revere Local Schools community once again showed its incredible generosity at the Revere Schools Foundation's annual Illuminate fundraiser, held on Saturday, November 8, at Todaro's Party Center. I want to extend my heartfelt appreciation to everyone who supported this year's event—whether you joined us in person, participated in the live auction, or contributed through in-kind or monetary donations.

This year's Illuminate was an outstanding success, raising \$120,000 to directly benefit Revere students and schools. The Foundation's continued impact is possible because of the unwavering support of our community, and I am truly grateful for all they do.

Board of Education Appreciation Month

January is Board of Education Appreciation Month, and I want to take a moment to express my heartfelt gratitude to our Board of Education. This year, we welcome two new members, Jeffrey Bowler and Jennifer Burke. Both are Revere alumni, which is a wonderful reminder of the strong connections our graduates continue to maintain with our schools and our community. It's inspiring to see alumni return to give back and become active contributors to the Revere learning environment.

I would also like to extend my heartfelt appreciation to outgoing board members Keith Malick and Hayden Hajdu for their years of service, dedication, and leadership. Their contributions have made a lasting profound impact on Revere Local Schools, and I am truly grateful for their time and commitment to the Revere community.

Our current board members—Jeff Bowler, Kasha Brackett, Jennifer Burke, Natalie Rainey, and Courtney Stein—bring a strong connection to our community and unwavering dedication to our students. Their leadership plays a vital role in the success of our district.

Reflecting on the First Half of the Year

As we reach the midpoint of the school year, I'm reminded once again of how grateful I am to lead such an exceptional school district. Your ongoing support, kindness, and partnership truly make a difference in the lives of our students and staff, and I appreciate it more than I can express. Wishing you and your families a happy, healthy, and bright start to 2026!
