March 2, 2026,

Dear Fisher Middle School Parents,

Over the weekend, rumors circulated on social media regarding a possible threat toward our middle school. We immediately contacted the Ewing Police Department, who conducted a thorough investigation.

At this time, law enforcement has determined that there is no credible threat to our middle school or to any school in our district. Our schools are operating as normal, and student and staff safety remains our highest priority.

While we are confident there is no danger, we ask that if you see or hear any new or concerning information, you report it directly to your building administration or local law enforcement. It is always better to report something so it can be properly reviewed.

Thank you for your continued partnership and vigilance.

Sincerely,

Dr. David Gentile
Superintendent of Schools
