

Victor High School Senior Privilege Permission Form

2026-2027 School Year

Victor High School's Senior Privileges permit a senior student to (1) arrive to school after the beginning of the scheduled school day if the student does not have a class scheduled for the first period of the school day, and/or (2) leave school before the end of the scheduled school day if the student does not have a class scheduled for the last period of the school day. As the name suggests, this is a privilege, and, as such, it may be taken away at the discretion of Building Administration.

Senior privilege is granted to seniors who meet the following criteria:

- Who have returned a signed permission slip (*see below*)
- Who do not have a class scheduled for first period and/or last period

If events are required for student participation at times where the student would ordinarily arrive late or leave early (*i.e.*, graduation practice), students are expected to be on campus on time.

***Student Name (Please Print):** I, _____,
a senior at Victor Senior High School, acknowledge and agree to abide by the rules of the Senior Privilege Program. I recognize that participation in the Program is a privilege that may be revoked by the Building Administration.

****Parent Name (Please Print)** _____

I give my child permission to participate in the Victor Central School District Senior Privilege Program. My signature below indicates my permission for my child to arrive at school after the beginning of the scheduled school day or to leave school before the end of the scheduled school day, so long as my child does not have a class scheduled for the applicable period(s). I understand that, just as with a typical school day, the School District is not charged with ensuring the safety of my child where he or she chooses to arrive late to campus or leaves early from campus.

In granting my permission, I understand the authority to permit participation in the Program is vested in the Building Administration alone, and participation may be revoked at the Building Administration's sole discretion. In the event my child's participation in the Program is revoked, he or she is expected to arrive at school prior to the beginning of the scheduled school day and to stay at school until the end of the scheduled school day.
