

Superintendent's Report

Dr. Scott DeShong | February 2026

Providing a timely update on district initiatives, celebrations, and priorities, serving as a bridge between daily operations and the broader vision for Avon Grove.

Big Learning Starts Here

Avon Grove's Little Friends Pre-K Early Learning Lab provides a nurturing, hands-on environment where our youngest learners build confidence, curiosity, and foundational skills for future success.

What makes our program unique is the collaborative learning environment. Under the guidance of a certified teacher, preschoolers engage with Avon Grove High School students pursuing coursework in Early Childhood Education creating a dynamic setting that benefits both our youngest learners and our high school students.

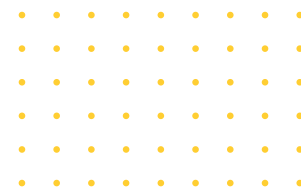

Registration is open through March 13.

SUPPORT FEEDING SCHOOL KIDS

Avon Grove is thrilled to partner with The GIANT Company to fight childhood hunger. Please join us in supporting and advocating for this initiative to help ensure no child in our district experiences hunger at school or at home.

Now through March 31, everyone who shops at GIANT will be invited to "round up" their bill to the closest dollar. The round up funds raised will support Feeding School Kids. Customers can also give by converting their CHOICE Rewards Points to donations in the GIANT app.

Thank you for joining us to end childhood hunger!

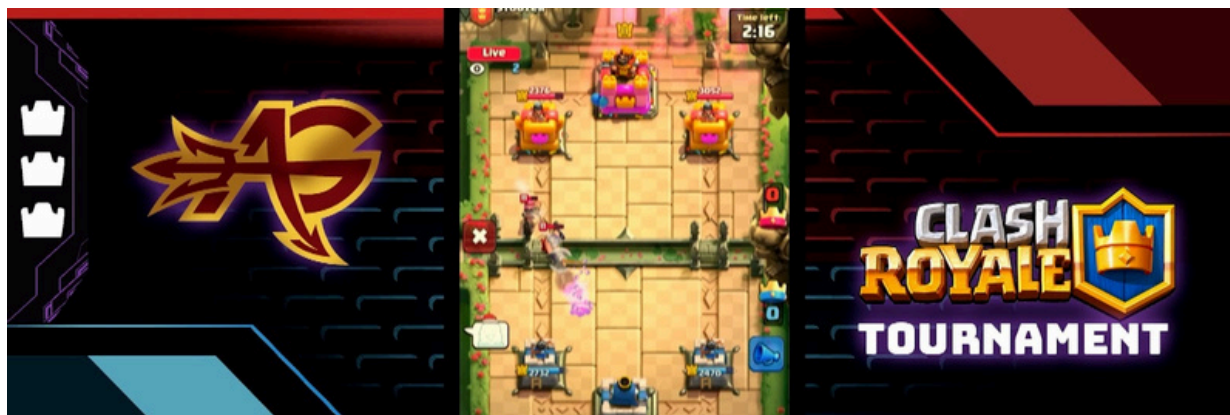

Help feed
kids in need
at our school!

Round up at the register at

GIANT

Now thru 3/31/26

AGHS LEVELS UP

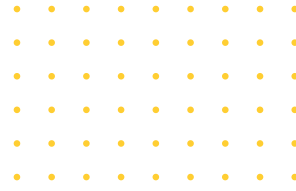

Our recent Esports Tournament featured Clash Royale, a strategic mobile game where players manage energy and deploy cards to outplay their opponents and protect their towers. Over three days, more than 30 students competed. Esports not only boost student engagement, but also unlocks critical skills like teamwork, communication, and strategic thinking while promoting STEM career pathways. Great teamwork and strategy all around!

BRAVO TO MATILDA, JR!

Congratulations to the talented cast and crew of Matilda, Jr. who put on three fabulous shows last weekend.

Thank you to AGMS Musical Director, Mrs. Shannon Lynch for her tireless efforts in fostering the creativity of our students!

BEST BUDDY PROGRAM

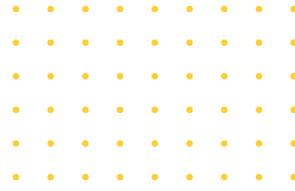

AGIS's Best Buddy program kicked off their first meeting with a match party. Our Buddy Program pairs students with and without disabilities to build meaningful friendships and promote inclusion throughout the school community. Through shared activities, classroom collaboration, and school events, buddies learn from one another while fostering empathy, understanding, and mutual respect.

THANK YOU STATION 22

In honor of kindness week, Mrs. Hart's Kindergarten class wanted to reach out to the members of our community to say thank you. While practicing our writing skills and with the help of Miss Aguilar, we were able to deliver 50+ thank you notes to our local fire department. Thank you Miss Aguilar and thank you firefighters for all that you do!

Mrs. Hart's class wants to know "who did you thank today?"
