What sets Hopkins apart

Hopkins has a proud history of leading innovation in as the first district in Minnesota:

- To require financial literacy for graduation
- To open a hybrid online and in-person school
- To offer a K-5 environmental focus school

We combine academic rigor with real-world readiness, ensuring students graduate with both strong credentials and practical skills.

Vision 2031

Vision 2031 is our long-term strategic plan designed with input from students, staff and community members. It ensures our schools reflect the skills and experiences students need for the future.

Vision 2031 aims to:

Empower students as problem-solvers, collaborators and critical thinkers

Foster belonging, empathy and student voice

Ensure every graduate is ready to lead, innovate and contribute locally and globally
