Form 2 of 2**

Use of Personal Vehicle

The Christian Brothers Risk Pooling Trust provides coverage for all vehicles owned or leased by Salesian College Preparatory. This includes Auto Liability for Bodily Injury and Property Damage and is in effect for all authorized drivers of the vehicles.

Any time an employee or volunteer uses their own vehicle for authorized related activities, (i.e. transport of individuals, banking transactions or to run errands), their personal automobile insurance is primary, because coverage follows the ownership of vehicle, The Christian Brothers Risk Pooling Trust (CBRPT) will only provide coverage if and when there has been a claim that **EXCEEDS** the liability limits of the individual's vehicle policy. This excess coverage would apply for any Affiliate that has at least one vehicle fully covered by CBRPT. Your location does have your vehicles fully covered by CBRPT. The Christian Brothers Risk Pooling Trust recommends that you have on file, documentation that substantiates the employees or volunteers understanding of this vehicles coverage plan.

The recommended MINIMUM automobile coverage for an individual driving their personal automobile is bodily injury limits \$100,000 per person or \$300,000 per accident; Property damage coverage of \$100,000. The collision and comprehensive coverage is an option item by the owner. The vehicle should also have medical coverage for the medical expenses for all occupants in the vehicle. This is usually written for \$5,000 per person for a total of \$25,000 however it is possible to purchase the limit of \$50,000 (or \$10,000) per passenger) or higher. Considering present medical costs, higher limits are a prudent choice.

I have read this form, understand it and voluntarily agree to use my vehicle for the entity related activity.
